2024 ASSEMBLY COMMITTEE PLAN

GOALS

- Ensure streamlined structures so that every committee is effective and relevant to the work of the Assembly
- Keep the committee process manageable in relation to our resources and capacity
- Provide each municipal department with a pathway to work and communicate with the Assembly through a committee

CHANGES

- **Health Policy & Public Safety** combine to be **Public Health & Safety Committee**; meets 11-1pm on 1st Wednesdays. Committee leadership should consider a formula for rotating MOA departments (Health, APD, AFD, Law, EOC) through for reports, while mixing with other work related to Assembly priorities.
- **Transportation Committee** changes from quarterly to monthly meetings. Adds Public Transit, Traffic Engineering, Transportation Planning/AMATS, Public Works, ER Street Maintenance, Project Management and Engineering).
- **Ethics & Elections** becomes **Quality Municipal Services Committee**. Committee reviews Election updates in March, August, & October and Ethics updates once or twice a year. Add: HR (drug testing, wage increases, recruitment, hiring practices), Purchasing (sole source contracts), IT (public records, CityView, Assembly Meeting A/V), Risk Management, Safety Dept., and GIS. Finance might also participate from time-to-time outside of its participation in Budget and Finance (MOA Trust, online checkbook).
- **Enterprise and Utilities Oversight** becomes **Infrastructure, Enterprise and Utilities Oversight Committee**. Adds Public Works.
- **Budget and Finance Committee & Municipal Audit** combine to be Budget, Finance, and Audit Committee.
- At a later date, if staff capacity allows, consider creating **Quality of Life Committee** to include Parks & Rec, Library, Education, Equal Rights Commission, Office of Equity and Justice and Office of Equal Opportunity.
