**RE: Host International, Inc. d/b/a Humpy's Great Alaskan Alehouse
Premises Address: Anchorage International Airport, Anchorage, AK 99502
License: Beverage Dispensary Tourism AS 04.11.400(d)
License No.: 4987
Request for Premise Extension**

Dear Assembly Members:

Host International, Inc. ("Host"), a food and beverage concessionaire, currently holds Beverage Dispensary Tourism License #4987 to sell alcoholic beverages at Humpy's Great Alaskan Alehouse located in Concourse B at Anchorage International Airport (the "Airport").

Host opened Humpy's Great Alaskan Alehouse ("Humpy's") in July 2010. Widely known as a favorite alehouse for both locals and tourists, Humpy's brings a true Alaskan experience to passengers traveling through the Airport.

In order to increase tourism, as well as handle the constant influx of Alaskan pipeline workers through the Airport, Host would like to expand the licensed premise of Humpy's another 268 square feet, to provide additional seating for its patrons.

We hereby request that the Assembly grant us approval to relocate the existing divider railing at Humpy's another two feet further into Concourse B, and extend the outside wall another six feet to provide room for the additional seating. No other changes will be made to Humpy's.

We appreciate the Assembly considering our request for this premise extension.

Sincerely,

Laura J. VanDaniker
Senior Manager, Licensing
