CONDITIONAL USE STANDARDS

The Assembly may only approve the conditional use if it finds that **all** of the following 4 standards are satisfied. Each standard must have a response in as much detail as it takes to explain how your project satisfies the standard. The burden of proof rests with you. Use additional paper if needed.

Explain how the proposed conditional use furthers the goals and policies of the comprehensive development plan and conforms to the comprehensive development plan in the manner required by AMC 21.05.

Although the comprehensive development plan does not address the sale of alcoholic beverages, a beverage dispensary tourism license is an appropriate ancillary use to the predominant purpose of this property - tourism and providing services to the traveling public.

Explain how the proposed conditional use conforms to the standards for that use in this title and regulations promulgated under this title.

The proposed conditional use conforms to the standard for that use in this title and other regulations. Host Chen ANC FB LLC (with licenses transferred from Host International, Inc.) has operated as a responsible alcoholic beverage license holder at Ted Stevens Anchorage International Airport ("Airport") for many years with no issues. The Airport is an appropriate location to operate a restaurant which holds a beverage dispensary tourism license to serve and sell alcoholic beverages to the traveling public and to promote tourism.

Explain how the proposed conditional use will be compatible with existing and planned land uses in the surrounding neighborhood and with the intent of its use district.

This is an tenant improvement in the expansion of the Airport South Terminal. This use has been and will continue to be compatible with existing and planned land uses in the surrounding neighborhood.

<p>Explain how the proposed conditional use will not have a permanent negative impact on the items listed below substantially greater than that anticipated from permitted development:</p>	
<p>1. Pedestrian and vehicular traffic circulation and safety.</p>	<p>The proposed establishment is located in the Airport. Patrons are not proceeding to vehicular traffic. Host Chen ANC FB LLC has strict policies regarding service of adult beverages to prevent over service.</p>
<p>2. The demand for and availability of public services and facilities.</p>	<p>N/A</p>
<p>3. Noise, air, water or other forms of environmental pollution.</p>	<p>N/A</p>
<p>4. The maintenance of compatible and efficient development patterns and land use intensities.</p>	<p>Patrons will use Airport facilities</p>

<p>STANDARDS CHAPTER 10.50 ALCOHOLIC BEVERAGES</p>
<p>In the exercise of its powers and under AS 04.11.480 and 15 AAC 104.145 to protest issue, renewal and transfer or alcoholic beverage licenses within the Municipality of Anchorage, the Assembly shall consider whether the proposed license meets each and every factor and standard set forth below.</p>

<p>Concentration and land use. Whether transfer of location or issue of the requested license will negatively impact the community through an increase in the concentration of uses involving the sale or service of alcoholic beverages within the area affected and will conform to the separate standards of AMC 21.50.020.</p>
<p><i>How many active liquor licenses are located on the same property as your proposed license?</i> 11</p>
<p><i>Within 1,000 feet of your site are how many active liquor licenses?</i> 11</p>
<p><i>How would you rate this area's license concentration on a scale of 1 to 5 with 5 = high</i> 3</p>
<p><i>How many active liquor licenses are within the boundaries of the local community council?</i> 22</p>
<p><i>In your opinion, is this quantity of licenses a negative impact on the local community?</i> No.</p> <p>This establishment is in the terminal of an international airport and thus primarily serves travelers both arriving and departing from Alaska without negatively impacting the community as a whole.</p>

If application is made for issue, renewal or transfer of a beverage dispensary license, restaurant or eating place license, or package store license, whether the applicant can demonstrate prospective or continued compliance with a Liquor "Server Awareness Training Program approved by the State of Alaska Alcoholic Beverage Control Board, such as or similar to the program for techniques in alcohol management (T.A.M.). Narrative

Host Chen ANC FB, LLC d/b/a Humpy's Great Alaskan Alehouse ("*Humpy's*") Pre-Security

The original Humpy's Great Alaskan Alehouse was founded in 1994 by a few locals who felt that Anchorage needed a very good bar for craft beers. Both locals and tourists made the place a near-instant institution. For tourists, it's a good place to grab a bite of good pub fare and seafood dishes. It's a great mix of locals mainly made up of north oil field workers and tourists swapping stories. Host Chen ANC FB, LLC's ("Host") location in the Ted Stevens Anchorage International Airport ("ANC") caters to tourist by the very nature of its location in the busiest airport in Alaska. It provides a taste of Alaska to travelers, whether locals or tourists. Host brings in the freshest ingredients right from the local area, into Ted Stevens Anchorage International Airport, and into Humpy's. The expansion into the adjacent pre-security premises will increase customer seating and alcoholic beverage service. Construction is divided into three phases:

Phase 1: Raising existing bar, adding a drink well and four (4) compartment sink, seating, and barstools.

Phase 2: Installation of eight (8) faucet draught beer system with refrigeration and pressurized CO2; installation of soda fountain and soda bar gun.

Phase 3: Redesign back of bar and remodel interior.

Project Details:

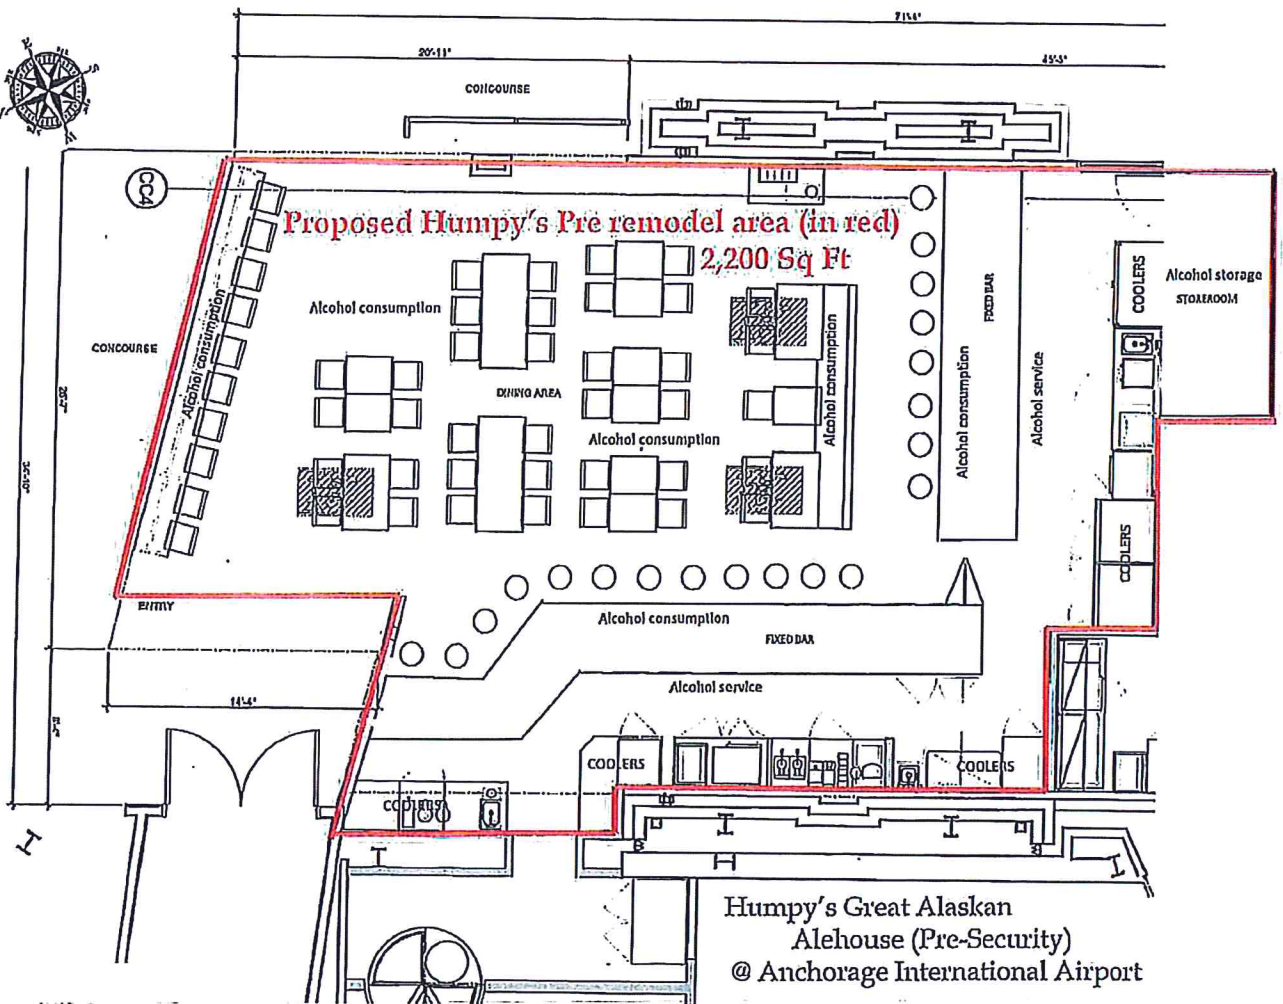

- Build temporary wall with drywall and white taped joints to secure construction area.
- Remove and dispose all existing casework, relocate exiting equipment; demo and dispose all signage from previous tenant.
- Build 28-foot pony wall to support a new laminate bar top at 42" AFF for stool height. The new wall will be in exact location of previous counter line with fire treated plywood on both sides with laminate at customer side and FRP on service side.
- Installation of pipe rail secured to the floor for a customer footrest and a galvanized 6" floor base where the pony wall meets the floor.

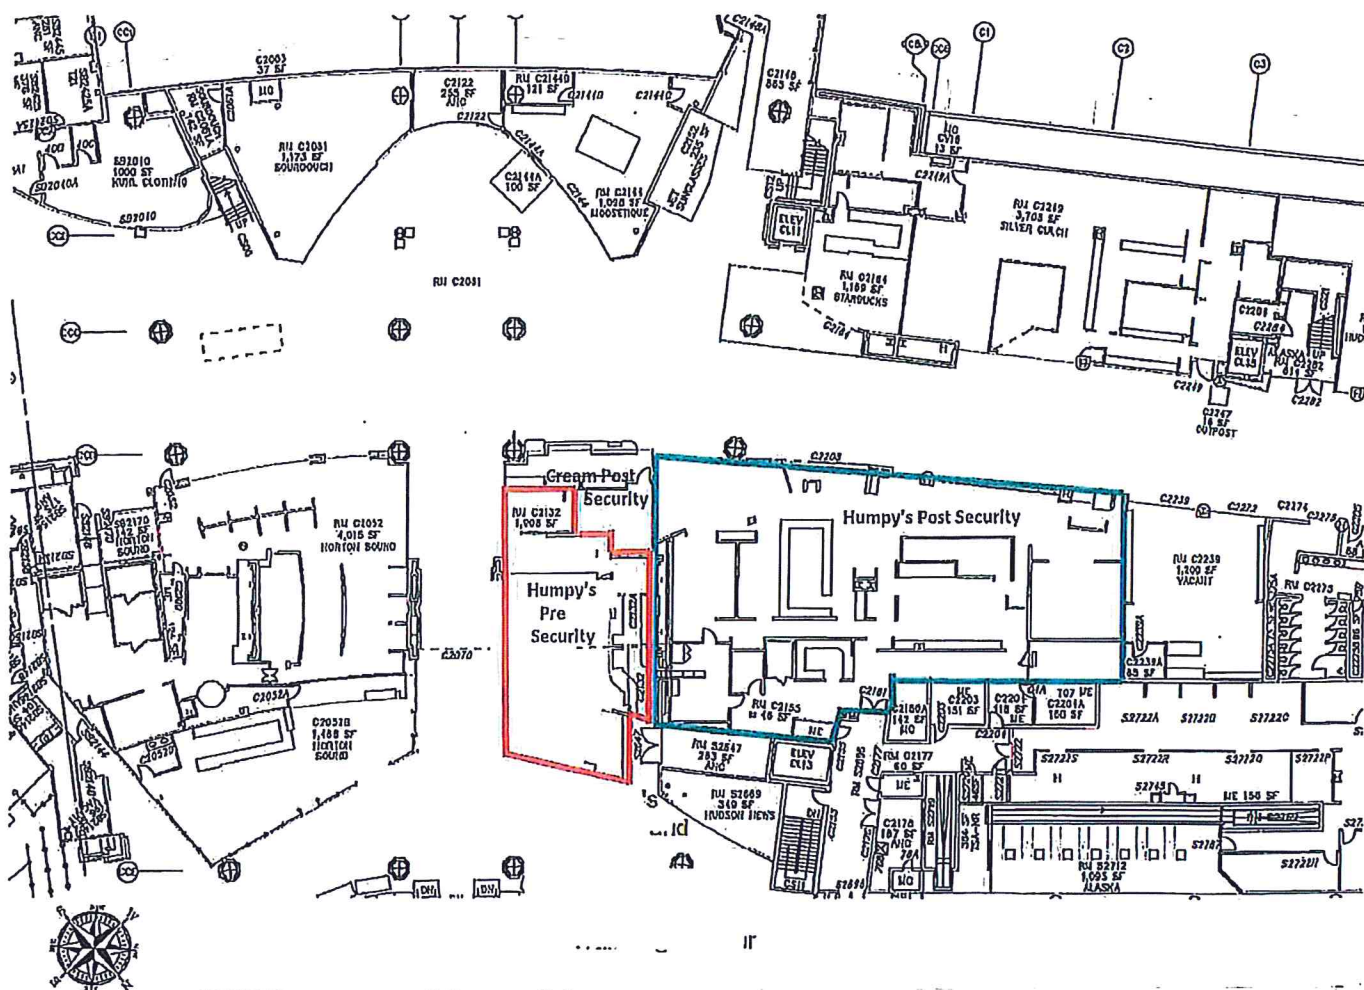

Narrative

Host Chen ANC FB, LLC d/b/a Humpy's Great Alaskan Alehouse ("*Humpy's*") Pre-Security

- Install bar top 24" wide laminate top
- Install 2 rows of glass shelves at the back bar area for display items.

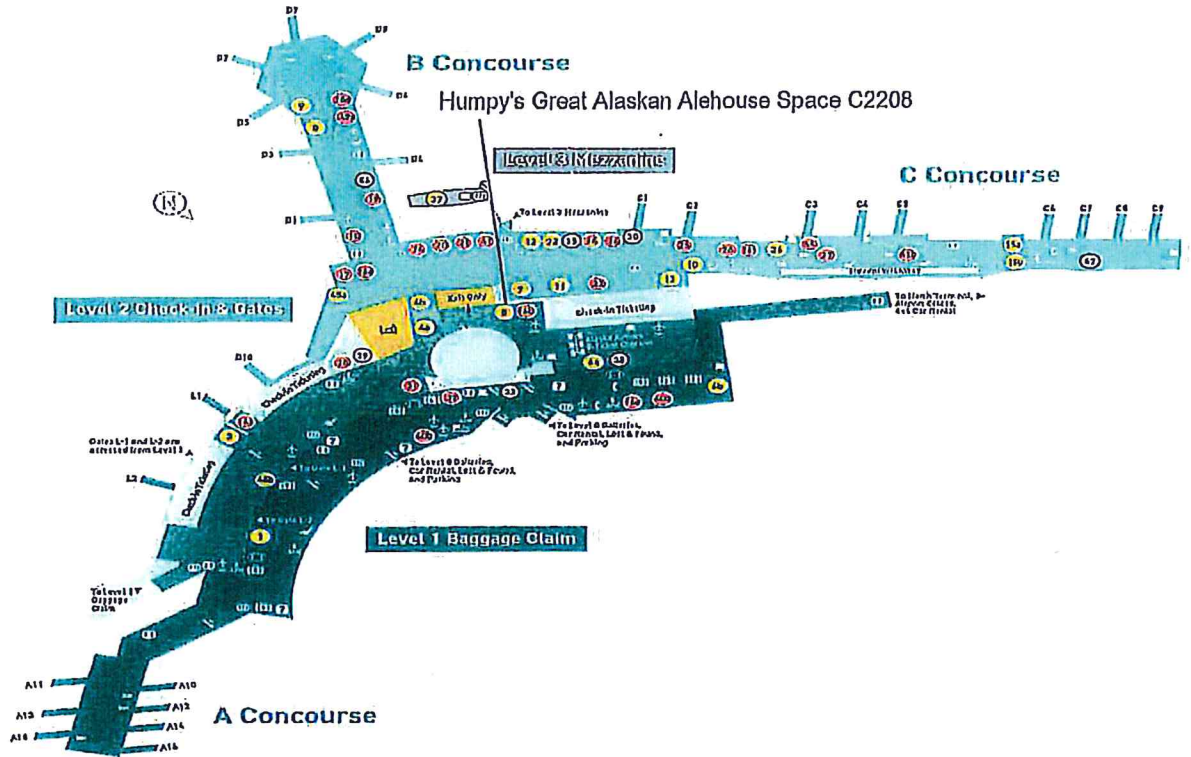

Once complete, the expansion and remodel of Humpy's into the pre-screening area of the Airport will bring Humpy's beloved service, food, and drinks into a more convenient, accessible environment. Humpy's will continue to manage and oversee operations in the new space at the high level already implemented in the existing space. All alcohol controls will remain in place and new controls will be implemented as necessary. As this is an expansion of an existing facility, in an international airport, no adverse impact on the community is expected and the expansion should only bolster the appeal of the Airport.

TOURISM STATEMENT

Host Chen ANC FB, LLC d/b/a Humpy's Great Alaskan Alehouse ("*Humpy's*")

The original bar was founded in 1994 by a few locals who felt that Anchorage needed a very good bar for craft beers. Both locals and tourists made the place a near-instant institution. For tourists, it's a good place to grab a bite of good pub fare and seafood dishes. It's a great mix of locals mainly made up of north oil field workers and tourists swapping stories. Our location in the Ted Stevens Anchorage International Airport ("ANC") caters to tourist by the very nature of its location in the busiest airport in Alaska. It provides a taste of Alaska to the travelers, whether locals or tourists. Host brings in the freshest ingredients right from the local area, into Ted Stevens Anchorage International Airport, and into Humpy's. The expansion into the adjacent premises will increase customer seating and alcoholic beverage service.

Currently, no additional amenities are offered, however, we are expanding our t-shirt /retail collection for customers to have more variety to choose from and to attract more tourists.

Humpy's is a restaurant located at ANC and as such, there are no room rentals to the traveling public.
