### Proposition 1

#### CHARTER AMENDMENT COMPENSATION OF ELECTED OFFICIALS

Shall Section 5.08(c) of the Home Rule Charter for the Municipality of Anchorage be amended to read as follows:  
(Underlined words to be added)

Section 5.08 Commission on Salaries and Emoluments  
(c) The commission shall establish the compensation, including salaries, benefits, and allowances, if any, of elected officials. A decision of the commission to adjust the compensation of elected officials shall not affect seated elected officials, but shall affect those elected officials seated after the election following approval of the decision. A decision of the commission not affecting the compensation of elected officials takes effect at the beginning of the next fiscal year of the Municipality. A decision by the commission is subject to initiative and referendum in the same manner as an ordinance. (AO 94-92)

### Proposition 2

#### RESOLUTION OPPOSING UNFUNDED MANDATES

Shall the following Resolution be approved and forwarded to the Alaska State Legislature?

WHEREAS, the Municipality of Anchorage, like most local governments has more legitimate needs and demands for basic services and public improvements than its financial resources can adequately fulfill without unreasonable tax increases; and

WHEREAS, State funding assistance to local government has declined significantly and may continue to decline in the future; and

WHEREAS, local taxpayers already share a large financial burden for the costs of programs required by State and federal laws; and

WHEREAS, the citizens of the Municipality have a fundamental right as well as the ability to determine the appropriate priorities for the expenditure of their tax dollars;

NOW THEREFORE, by the citizens of the Municipality of Anchorage, be it hereby

RESOLVED that they are opposed to unfunded State as well as unfunded federal mandates and that the Alaska State Legislature shall by law prohibit the enactment of and shall refrain from enacting any new State law or regulation requiring the expenditure of any municipal tax or enterprise revenues without providing other funds for payment of the full and true cost of any such requirement. ### Proposition 3

#### CHARTER AMENDMENT ALCOHOLIC BEVERAGES SALES TAX

##### Part I

Shall Article XIV of the Anchorage Home Rule Charter be amended by the addition of a new Section 14.04 to read:

##### Section 14.04 Alcoholic Beverage Sales Tax

(a) Section 14.01 (a) notwithstanding, a sales tax of 8% is levied on the retail sale of alcoholic beverages within the Municipality of Anchorage.

(b) All persons or business entities licensed for the retail sale of alcoholic beverages shall collect the tax imposed by this section. The tax shall apply to alcoholic beverages sold for consumption both on and off premises. The tax shall be due and payable at the time of sale and shall be remunerated to the Municipality on a monthly basis.

(c) The tax levied under this section shall not be added to the base amount which is used in Section 14.03(a) for purposes of calculation of subsequent years' tax increases under Section 14.03 of the Charter.

(d) The Assembly by law shall implement this section.

(e) If any provision of this section conflicts with any other provision of the Charter, this section shall govern. If any portion of this section is declared invalid by a court of competent jurisdiction, the remaining portions shall remain in effect and shall not be affected thereby.

##### Part II

The following statement of intent is added to the Commission commentary on the Anchorage Municipal Charter:

##### Section 14.04

This section is intended to generate additional revenues within the "Tax Cap" of Section 14.03 (a) of the Charter, thereby providing a measure of tax relief to property owners. (petition)

### Proposition 4

#### ADVISORY VOTE INCREASE TAX RATES ON TOBACCO PRODUCTS

Should Sections 4 and 5 of Anchorage Ordinance 94-182(S), respectively increasing the tax rate on cigarettes and other tobacco products from the present 6.57 mills (6.57 tenths of one cent) per cigarette to 13 mills (1 and 3 tenths of one cent) per cigarette and from the present 10% of the wholesale price on other tobacco products to 15% of the wholesale price be implemented by the Municipal Assembly?

Cigarettes and other tobacco products acquired in or brought into the Municipality are currently taxed at the rates indicated in the preceding paragraph under existing Municipal ordinances. The new ordinance referred to above would increase the rate of taxation on those tobacco products as indicated.

Any additional revenues raised by the increase in tax rates under this ordinance would be subject to (within) the tax increase limitation of Charter Section 14.03 (the "Tax Cap") and would effect a reduction in property taxes. The amount of the reduction in property taxes is estimated to be \$2.9 million in the first year.

The vote on this Proposition is an advisory vote only and does not bind the Municipal Assembly to act or refrain from acting to increase or not increase the tax rates or to choose a different tax rate on the specified tobacco products. (AO 94-182 (S) )

### Proposition 5

#### \$400,000 GO BONDS EAGLE RIVER-CHUGIAK PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT PROJECTS

Shall the Municipality of Anchorage incur debt and issue general obligation bonds not to exceed Four Hundred Thousand Dollars (\$400,000) for paying a portion of the costs of planning and designing a recreation facility and ice rink and related capital improvement projects in the Eagle River-Chugiak Parks and Recreation Service Area? The approximate annual amount of taxes on \$100,000 of assessed real and personal property value (based on the estimated total 1995 assessed valuation in the Eagle River-Chugiak Parks and Recreation Service Area) to retire the proposed debt is \$3.16. The bonds shall be paid first from individual and business property (general ad valorem) taxes levied and collected within the Eagle River-Chugiak Parks and Recreation Service Area and be secured by a pledge of the full faith and credit of the Municipality. Voter approval authorizes taxes to be levied within the Eagle River-Chugiak Parks and Recreation Service Area to pay the principal of and interest on the bonds notwithstanding any mill rate limitation in Anchorage Municipal Code Section 27.30.090. Shall Anchorage incur debt and issue general obligation bonds not to exceed Eighteen Million Dollars (\$18,000,000) for planning, designing, acquiring property for, equipping, rehabilitating and constructing road, storm drainage and related capital improvement projects in the Anchorage Roads and Drainage Service Area including roadway improvements, roadway safety improvements, drainage collection and drainage treatment projects? Approval authorizes estimated annual costs of \$40,000 for operation and maintenance to raise the tax cap limitation (Charter 14.03 (b) (2)). The approximate annual amount of taxes on \$100,000 of assessed real and personal property value (based on the estimated total 1995 assessed valuation in the Anchorage Roads and Drainage Service Area) to pay this operation and maintenance expense and to retire the proposed debt (exclusive of road improvement district assessments) is \$17.15. The bonds shall be paid first from individual and business property (general ad valorem) taxes levied and collected within the Anchorage Roads and Drainage Service Area or from assessments against property specially benefitted and be secured by a pledge of the full faith and credit of the Municipality. Approval authorizes estimated annual costs of \$91,620 for operation and maintenance to raise the tax cap limitation (Charter 14.03 (b) (2)). The approximate annual amount of taxes on \$100,000 of assessed real and personal property value (based on the estimated total 1995 assessed valuation in the Anchorage Police Service Area) to pay this operation and maintenance expense and to retire the proposed debt is \$3.50. #### EAGLE RIVER-CHUGIAK PARKS AND RECREATION SERVICE AREA MILL RATE INCREASE

Shall the maximum permissible mill rate for the Eagle River-Chugiak Parks and Recreation Service Area (ERCPRSA) be increased from the current 0.50 mills to 0.75 mills?

The purpose of the proposed mill rate increase is to offset an anticipated reduction in State funds available for parks and recreational facilities development and to provide funds for increased park and trail maintenance costs and for planned increases in recreational programming for youth of Eagle River-Chugiak Parks and Recreation Service Area.

A "Yes" vote authorizes the Assembly to levy and the Municipality to collect an additional 0.25 mills on taxable property in the Eagle River-Chugiak Parks and Recreation Service Area effective January 1, 1996. (AO 95-47)

### Proposition 10

#### CREATION OF THE HUFFMAN-DeARMOUN POLICE SERVICE AREA

Shall Section 2 of Anchorage Municipal Ordinance AO 95-4(S) creating a new police service area designated the Huffman-DeArmoun Police Service Area and mandating police protection services therein beginning January 1, 1996 at the same general level as provided in the Anchorage Police Service Area be approved?

The proposed Huffman-DeArmoun Police Service Area is bounded on the north by Huffman Road, on the south by DeArmoun Road, on the east by Lake Otis Parkway and Westwind Drive and on the west by the New Seward Highway.

If this Proposition is first approved by a majority of the voters voting on the question, Section 3 of AO 95-4(S) automatically consolidates the proposed Huffman-DeArmoun Police Service Area with the Anchorage Police Service Area effective as of January 1, 1996 and police protection services would then be extended to the Huffman-DeArmoun Police Service Area by the Anchorage Police Department.

Approval of this Proposition permits the Municipality to levy and collect additional property taxes in the Huffman-DeArmoun Police Service Area by a uniform levy on all taxable property therein beginning with the tax year 1996 at a tax rate uniform with the tax rate levied against taxable property for police protection services in the Anchorage Police Service Area.
