PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) **Taxes imposed pursuant to Charter § 14.06 prior to 2019.**

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. **Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.**

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

 Section 14.03. Tax increase limitation.

(b)The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

 Section 14.03. Tax increase limitation.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority
 *** *** ***

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

*** *** ***
 Section 14.03. Tax increase limitation.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority
 *** *** ***

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

*** *** ***
 Section 14.03. Tax increase limitation.
 *** *** ***

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

*** *** ***

If approved by the voters at the April 5, 2016 Regular Election, this proposition shall be effective upon certification of the election. (AO 2015-143)

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority
 *** *** ***

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

*** *** ***
 Section 14.03. Tax increase limitation.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

 Section 14.03. Tax increase limitation.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

*** *** ***
 Section 14.03. Tax increase limitation.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

*** *** ***

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

Section 14.03. Tax increase limitation.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (1) Taxes on new construction or property improvements which occur during the current fiscal year.
- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

PROPOSITION 2
MARIJUANA SALES TAX

This proposition approves a sales tax on the retail sale of marijuana and marijuana products of five percent (5%), and permits the tax to be subsequently adjusted by the assembly by ordinance. The assembly's adjustments are limited because the proposition bars the assembly from increasing the tax rate more often than once every two years, prohibits increases in excess of two percent (2%), and provides that the tax shall not be adjusted to exceed twelve percent (12%). The proposition also establishes that revenues from the tax are outside the tax increase limitation for the next three (3) years only.

This proposition would amend the Anchorage Municipal Charter by adding the following new section to Article XIV:

Section 14.06 Retail marijuana sales tax.

(a) The assembly is hereby authorized, to the extent provided by law, to levy a tax on all retail sales of marijuana and marijuana products in an amount not to exceed twelve percent (12%) of the sales price. The initial rate of levy shall be five percent (5%).

(b) The tax rate on marijuana and marijuana products may, without additional voter approval, be increased by the assembly by ordinance no more frequently than once every two years, subject to the limitations in this section. An adjustment to the tax rate shall have a prospective July 1 effective date with the year to be specified in the enactment ordinance. Any increase in this tax shall not exceed two percent greater than the tax rate in effect at the time of the increase.

(c) The assembly may prescribe exemptions to the tax imposed by this section by ordinance, and shall enact such additional provisions, not inconsistent with this section, as necessary or desirable to implement this section.

It would further amend Anchorage Municipal Charter § 14.01(b), Charter § 14.03(b) and Charter § 14.03(c) as follows (additions shown in underline and bold):

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the tax imposed by Charter § 14.05 shall be effective if approved by a majority (50%+ one) of the qualified voters voting on the question.

(b) The limitations set forth in subsection (a) do not apply to the following:

- (2) Taxes required to fund additional services mandated by voter approved ballot issues.
- (3) Special taxes authorized by voter approved ballot issues.
- (4) Taxes required to fund the costs of judgments entered against the municipality or to pay principal or interest on bonds, including revenue bonds.
- (5) Taxes required to fund the cost of an emergency ordinance enacted pursuant to 10.03 of the Municipal Charter.
- (6) Taxes imposed pursuant to Charter § 14.06 prior to 2019.

(c) Any tax increases which result from the exceptions set forth in subsection (b)(1)-(3) shall be added to the base amount which is used in subsection (a) for the calculations of the subsequent year tax increase limit. Taxes collected pursuant to Charter § 14.06 in 2018 shall be added to the base amount which is used in subsection (a) for calculations of the 2019 tax increase limit.
