

Anchorage is a TRAILS TOWN

Anchorage parks and trails showcase our city's spectacular natural beauty, recognize the traditional homelands of the Dena'ina Athabaskan people, connect diverse urban neighborhoods, and encourage healthy lifestyles.

250+ miles of paved multi-use trails make Anchorage a year-round outdoor recreation destination and great place to live.

Anchorage trails are the pathway to a robust economy, vibrant community, and healthy people.

ANCHORAGE PARK FOUNDATION

LEGEND

- * Indigenous Place Name
- Municipal Park Land

VISION FOR COMMUNITY CONNECTION

These priority projects would address the largest gaps, navigation challenges, and safety issues in the trail system.

This community vision for better connecting Anchorage is the pathway to safe and connected walkable, bikeable transportation strategies and investments to increase connectivity on streets and trails.

- 1 Coastal Trail to Ship Creek Trail Connection
- 2 Fish Creek Trail Connection to Coastal Trail & Indigenous Plaza
- 3 Sitka Street Park Connection to Chester Creek Trail
- 4 Goose Loop Trail
- 5 Campbell Creek Trail Crossing over Lake Otis Parkway
