November 11, 2024

Plan at 69' wide, waterside crane rail only.

Current: 938ft X 69ft

Wharf Area:
64,722 SF

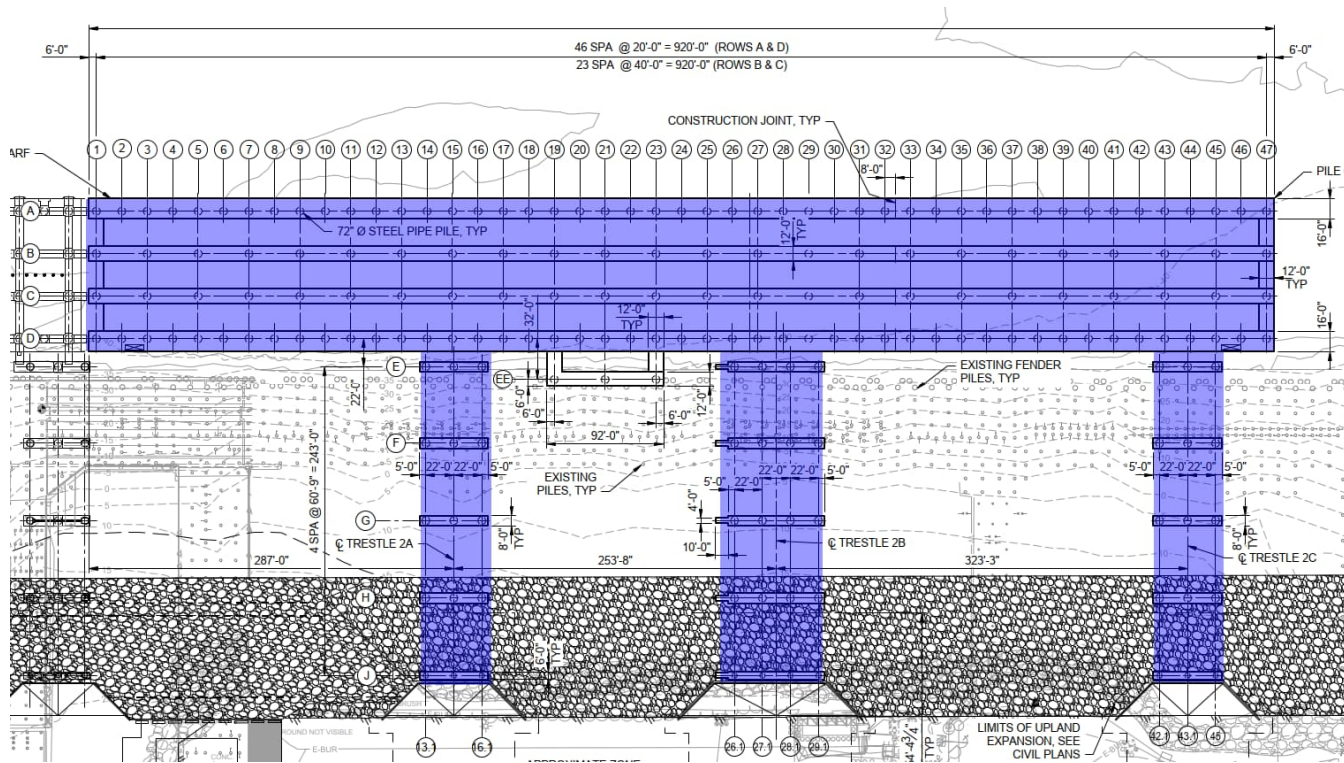

Don Young
PORT of
ALASKA

T2 at 120' wide, with crane rails on Nov 6th Assembly meeting for Approval

Proposed:
938ft X 120ft

Wharf Area:
112,560 SF

PAMP at completion

Note that the depiction of Cargo Terminal 2 includes a potential design modification.

A photograph of a shipyard at dusk. The sky is a mix of purple, pink, and blue. In the foreground, there's a body of water reflecting the lights and the sky. In the middle ground, there are several large cranes and industrial structures, some with 'Matson' written on them. The background shows a dark, forested hillside. The text 'Thank you' is overlaid in the center in a large, white, sans-serif font.

Thank you
