

# Youth Apprenticeship Program

## What We Offer

- Technical job skills
- Resumes & certifications
- Leadership development
- Relaxed farm environment
- Access to clinical services
- Food & housing support
- Professional development time

## Our mission is to empower youth!

All in one place - Our farm is adjacent to our youth drop-in center to help meet basic needs and has access to an experienced mental health clinical team.

Supporting success - We are a trauma-informed workplace, meet people where they are, and help young people transition into adulthood!

## Contact Us!

## Groups And Presentations

The Power Center offers a range of group activities focused on positive peer to peer engagement, creative expression and enhancing social and independent living skills.

- Baking Group
- Art Group
- Cooking Group
- Game Day
- Educational Trainings

## Street Outreach

The Power team utilizes a peer-to-peer strategy to engage with youth in the community. Peer outreach workers serve as mobile resources, informing young people about available services. Staff members carry backpacks stocked with supplies to assist youth in meeting their basic needs.

### DROP-IN CENTER

2601 Arctic Blvd., Anchorage, AK  
Open 11 a.m. - 5 p.m. | Monday – Friday

## Children & Families

Anchorage: 907-561-0954

Fairbanks: 907-371-1300

We work with children & families with a wide range of mental health needs and to address problem behaviors.

- Telehealth, clinic, school and community-based therapy, psychoeducation and skill development services; integrated child psychiatry as needed
- Trauma-informed care and trauma training through the Alaska Child Trauma Center
- Partial Hospitalization Program for children ages 9-11
- Programs for transition-age youth including vocational training through Alaska Seeds of Change and the POWER Center drop-in program

## Adults

Anchorage: 907-563-1000

Fairbanks: 907-371-1300

We provide outpatient services to adults experiencing a wide range of mental health issues:

- Telehealth and clinic-based services
- Case management & skill development
- Partial Hospitalization Program (PHP)
- Intensive Case Management and Residential programs for those needing additional support

## Steven A. Cohen Military Family Clinic

907-762-8668

The Cohen Clinic serves post-9/11 veterans and their families and active duty military families (including National Guard and Reserves) regardless of discharge status, role, or ability to pay.
