AMC 1.15.030D. **Public Servants** - all persons within the scope of this code, including employees, board members, and elected

In accordance with AMC 1.15, I am requesting applicability and interpretation of the following **section of the Municipal Code of Ethics**: AMC 1.15.090 - Contemporaneous employment or service

Please describe your request:

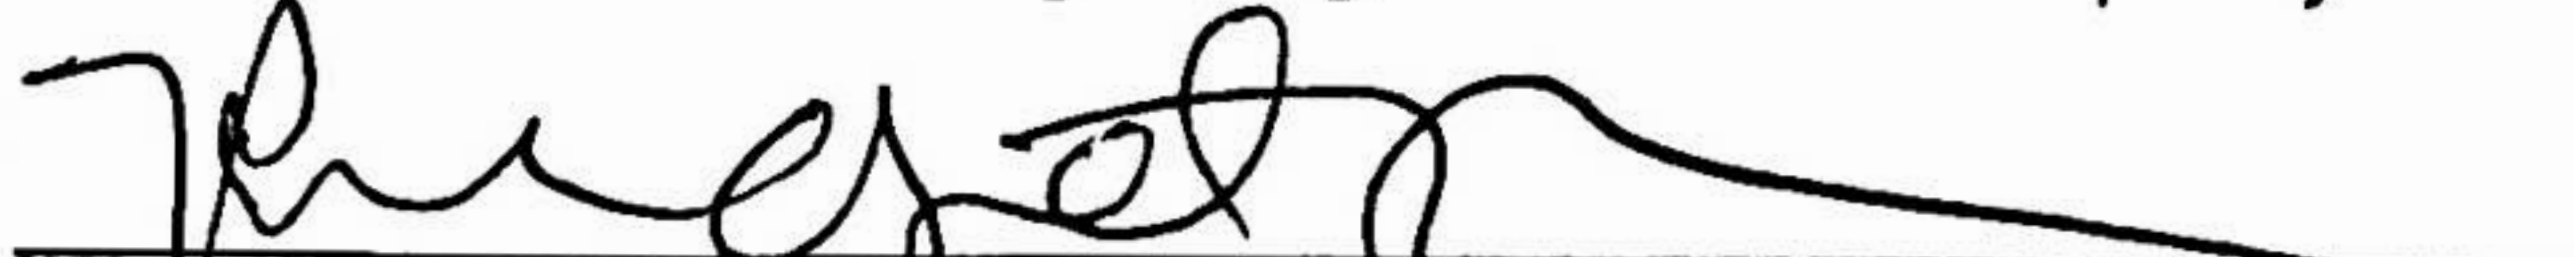

I have accepted the role of Municipal Manager in the administration of Mayor Suzanne LaFrance, and will transition into that role full time on July 29, 2024. I will be leaving behind a complex senior executive role at GCI. After my transition to the MOA, I plan to continue to serve as an "on call" employee for GCI for a limited number of hours per week through December 31, 2024, to help with the transition of my responsibilities to my successor(s). My intent would be to perform these duties utilizing GCI technology (computer and phone), to take meetings during the week during a designated "lunch" hour or while taking PTO, or to address GCI concerns after MOA work hours. I also intend to recuse myself from any GCI-related matter both during this period of contemporaneous employment and permanently during my tenure at the MOA, in light of my ownership of significant stock in GCI's parent company, Liberty Broadband. I request the opinion of the board confirming whether there are additional steps I should take to ensure this employment arrangement does not violate municipal code.
