SNOW MELT CAPTURE

End Dump Caravan Alternative

Enter the Dragon!! Snow Dragon That Is!! ;-)

SHORE FRONT

My takeaways

- ▣ The 2014 Fairview study provides a good place to start.
- ▣ Multiple sites around the municipality could be serviced by one machine.
- ▣ The old system of dump trucks could still be used.
- ▣ Private companies could use this technology as well.
- ▣ Appropriate drains for parking lots to accommodate this new technology could be added into MOA design specifications going forward
