

MUNICIPALITY OF ANCHORAGE

Department of Public Works
Traffic Engineering Division

AGREEMENT

Effective 6-1-96, Traffic Engineering Division, Public Works Department, Municipality of Anchorage and Alaska DOT/PF Central Region agree that the Municipality of Anchorage shall establish and maintain all school zones designated within the Municipality of Anchorage regardless of street ownership.

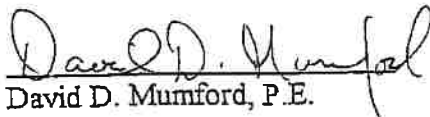

Municipality of Anchorage agrees to

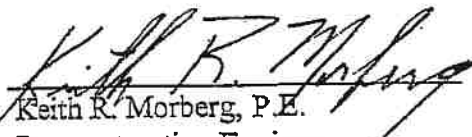

1. Review all school zones in accordance with the Manual on Traffic Control Devices and established guidelines for designating and signing school zone areas.
2. Ensure all established school zones are properly marked and maintain the required signs and markings.
3. Notify the State of Alaska DOT/PF Traffic and Safety Section of all new school zones and any changes to established zones.

Alaska DOT/PF Central Region agrees to:

1. Waive any additional requests for school zones or signage and convey the request to the Municipality of Anchorage, Traffic Engineering Division.
2. Provide the Municipality with any documentation regarding established school zones within the Municipality of Anchorage.
