Comparison – Winter Biking Anchorage vs. Winter Biking Oulu

Anchorage

Oulu:

How can we prioritize non-motorized transportation?

- Start by understanding current spending
 - + Can we separate out motorized and non-motorized spending?
- Start by understanding current prioritization of non-motorized facilities
 - + Can we have a separate plan for non-motorized facilities?
 - + Can we leverage other efforts?
- Define what we mean by non-motorized transportation for winter
- What other facilities do non-motorized transportation users use – i.e. public transportation?
