

OUR THRIVING PARTNERSHIP

Choosing Our Roots and the
Municipality of Anchorage

OUR PARTNERSHIP

SafeRoot Anchorage

The Municipality of Anchorage provided funding for COR to purchase a 6-plex in Spenard.

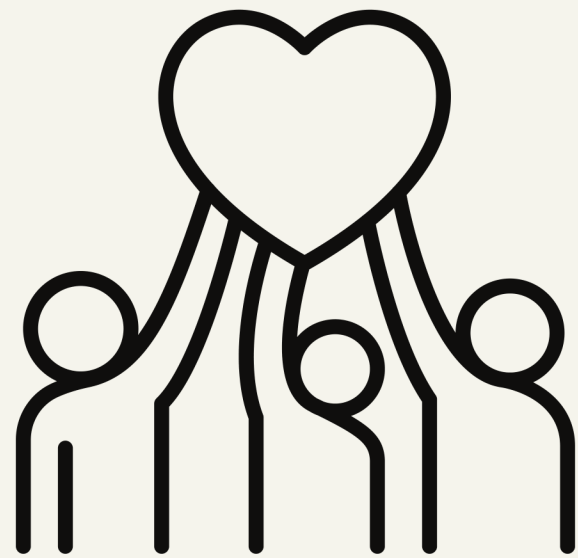

Transitional Housing

COR leveraged original funding to:

- Develop programming
 - Make essential repairs
 - Provide transitional housing for young adults experiencing housing insecurity
- 

COMMUNITY ENGAGEMENT

Thanks to our Muni partnership, we can host monthly community engagement and learning opportunities at SafeRoot Anchorage, furthering our community-based focus for the betterment of all.

In May, we hosted a simple mending class and on June 15th we're hosting a foraged tea party with Indigenous teachings for ethical foraging, processing, and storing of local teas.
