At sentencing, the court shall order that any vehicle return bond which has been posted to secure the release of the vehicle be forfeited to the municipality if the vehicle subject to the vehicle return bond is not returned to the custody of the municipality within five days after the sentencing. At sentencing, the court shall order that any vehicle return bond posted to secure the release of the vehicle be exonerated when the vehicle has been returned to the custody of the municipality. At sentencing, the court may also order that any proceeds of any sale, transfer, or encumbrance of the vehicle be forfeited to the municipality if the vehicle has been sold, transferred, or encumbered while the vehicle has been subject to a vehicle return bond. A vehicle ordered impounded pursuant to this subsection shall not be released until after the person seeking release of the vehicle has provided proof of insurance or an affidavit of insurance, proof of ownership of the vehicle, and has paid or provided proof of payment of the impound fees and the storage fees. The insurance requirement may be waived by the municipality if the vehicle is inoperable. Impound fees shall include the actual cost of impound plus an administrative fee of \$410.00 [\$390.00] to offset the municipality's processing costs. Any order of impoundment or forfeiture entered under this subsection is subject to the rights of lienholders, owners, lessors, lessees, and co-owners who are not the person convicted of driving without insurance as those rights are adjudicated in civil proceedings under Section 9.28.026. If the municipality has brought a civil action under Section 9.28.026 seeking impoundment or forfeiture as against all those with an interest in the vehicle except the person charged with a violation of this section, that civil action shall provide the sole forum in which lienholders, owners, lessors, lessees, and co-owners who claim an interest in the vehicle but are not the person charged with a violation of this section can seek relief.

At sentencing, the court may also order that any proceeds of any sale, transfer, or encumbrance of the vehicle be forfeited to the municipality if the vehicle has been sold, transferred, or encumbered while the vehicle has been subject to a vehicle return bond. A vehicle ordered impounded pursuant to this subsection shall not be released until after the person seeking release of the vehicle has provided proof of insurance or an affidavit of insurance, proof of ownership of the vehicle and paid or provided proof of payment of the impound fees and the storage fees. MUNICIPALITY OF ANCHORAGE
ASSEMBLY MEMORANDUM

No. AM 558-2010

Meeting Date: October 26, 2010

1 **From: MAYOR**

2
3 **Subject: AN OMNIBUS ORDINANCE OF THE ANCHORAGE ASSEMBLY**
4 **AMENDING ANCHORAGE MUNICIPAL CODE AND ANCHORAGE MUNICIPAL**
5 **CODE OF REGULATIONS TO MODIFY EXISTING, AND INCLUDE ADDITIONAL,**
6 **FEES, FINES, AND PENALTIES, AND TO MODIFY EXCISE TAXES ON MOTOR**
7 **VEHICLE REGISTRATION AND AIRCRAFT.**

8
9 This ordinance makes a number of changes in fees, fines, and taxes. These
10 changes range from increasing the fine for a false alarm to an increase in the aircraft
11 registration tax to implementing new fees associated with compliance with the
12 Federal National Pollution Discharge Elimination System requirements.

13
14 Community Budget Dialogue participants were supportive of users of a service
15 paying toward its cost. These changes reflect this approach and also help diversify
16 the Municipality's revenues.

17
18 In total, these changes will increase 2011 revenue by \$2.1 million, which already is
19 included in the 2011 proposed budgets for General Government and Solid Waste
20 Services.

21
22 A summary of the proposed changes is attached.
