12 The Administration will be convening in August four community discussions about
13 spending and revenue choices. To engage the public, the Administration is
14 contracting with Viewpoint Learning, a leader in the field of effectively engaging
15 citizens in a process in which they weigh the trade-offs and values reflected in public
16 policy decision-making. The comments from citizens then will be an input to the
17 Mayor and Assembly as they make budget decisions.
18

19 The Administration is working to gain community financial support of this project so
20 that tax dollars can be saved. So far we have commitment of contributions from the
21 Rasmuson Foundation, Northrim Bank, and Municipal Light & Power and we are
22 continuing to seek additional underwriters.
