

Coalition Meeting Recap

On April 24, 2024, the Southcentral Mayors' Energy Coalition met to discuss the drafting of a legislative letter to send to the Alaska State Legislature as well as to hear a presentation from Hilcorp. Technical Committee Chairman Scott Jepsen provided an update on the presentations and discussions occurring within the Technical Committee, which transitioned into a discussion of a legislative letter based upon the suggestions of the Technical Committee.

Hilcorp also presented on their continuing efforts to develop natural gas within the Cook Inlet basin. They assured the mayors that Hilcorp is still invested in Cook Inlet and will meet all future contractual demands.
