2. On the same page, VIII, third line, replace "was discussed" with "were discussed" (to match number with the multiple items discussed).

*Commissioner Leman* moved to approve the October 17, 2024, minutes with the two changes discussed. *Commissioner Scher* seconded.

***The October 17, 2024, minutes with the two edits were approved unanimously.***

## **IV. UNFINISHED BUSINESS**

### **A. Nominations to Local Landmark Register**

*Tom Davis* referenced the list of priority sites for nominations to the Local Landmark Register provided on page 15 of the meeting packet. He explained that this business item is for the Commission to prioritize 3 to 5 of the sites to bring forward in an initial batch of nominations in the first half of 2025. *Mr. Davis* reported that Tiffany Briggs, the Director of the Real Estate Department, indicated that she did not anticipate any municipal objections to nominating Oscar Anderson House, City Hall, Pioneer Schoolhouse, or Point Woronzof.

Commissioners discussed and prioritized the Oscar Anderson House, Pioneer School House, Point Woronzof Village site, and potentially the Eklutna Knobs site as the initial batch of nominations to bring forward for an HPC public hearing in June 2025.

*Mr. Davis* explained the work plan for these nominations: Michelle Nelson, who joined the Planning Department in September, will reference information from the NRHP and AHRS to prepare the nomination applications for the municipal historic buildings. For researching the two Dena'ina sites, Commissioners suggested that Monty Rogers, a former member of HPC, would be a good source of information on the Point Woronzof site. *Commissioner Lamoreaux* suggested contacting Jim Fall, an anthropologist who co-wrote the book Shem Pete's Alaska, as he is knowledgeable about the Point Woronzof and Eklutna Knobs sites. He also recommended contacting Eklutna, Inc.

*Commissioner Scher* asked if staff will notify MOA Parks and Recreation regarding the nominations on municipal parklands. *Mr. Davis* responded affirmatively, and that staff intends to bring the nominations to the Parks and Recreation Commission.

Action Items:

- *Staff* to prepare nomination applications for the Oscar Anderson House, Pioneer School House, Point Woronzof Village site, and potentially the Eklutna Knobs site. Staff will use information from that AHRS and NRHP and consult with Commissioners Scher and Lamoreaux periodically while preparing the LLO nomination applications.
- *Staff* and *Commissioner Lamoreaux* to contact Monte Rogers and Jim Fall to see if they can provide any information about the Point Woronzof and Eklutna Knobs sites.
- *Commissioner Lamoreaux* to inform the Native Village of Eklutna and the Knik Tribe that the HPC is preparing nominations for the Point Woronzof and Eklutna Knobs sites.

**B. Local Historic Inventory Database/Map App Project**

*Tom Davis* recapped the project objectives and reported that staff work for this CLG Grant project is in progress, with Michelle Nelson as the project lead staff. *Mr. Davis* explained that the HPC would be consulted and advise at key decision points in the development of the database and map app. He asked if individual Commissioners are interested in following and participating in this project more closely and contributing to it, or if the Commission wished to create a temporary committee of interested Commissioners. *Commissioner Bryan* responded that she would be interested in participating in the project more closely and is a user of the AHRS.

*Michelle Nelson* reported that staff is exploring the AHRS data and finding it is in a narrative form that will be time-consuming to reformat as source data into a local inventory database. Staff will be consulting with the Commission in first quarter of 2025 regarding what AHRS data to include in the local inventory database, and which data should be publicly accessible.

**V. NEW BUSINESS**

**A. New Round CLG Grant Opportunity**

*Tom Davis* referenced page 17 of the meeting packet and explained this item is a request for the HPC to discuss the possibility of applying for a new CLG Grant and ideas for grant projects. Next month, the Commission will return to this item and deliberate on a final draft list of ideas.

Commissioners and staff discussed the list of project options presented in the meeting packet. *Commissioner Karchut* indicated that the Anchorage Memorial Cemetery is in a state of neglect and could use some attention. *Commissioner Scher* suggested a grant project to develop interpretive information and/or a management plan for the Point Woronzof Village site. There may be sensitive cultural resources within that site where public access may need to be limited. *Commissioner Lamoreaux* supported this idea and suggested the interpretive loop trail at the mouth of Cottonwood Creek in Mat-Su Borough as an example of an interpretive trail.

## **B. New Section 106/Project Consultations**

*Michelle Nelson* referenced the memo on page 21 of the meeting packet listing the Section 106 project consultation requests and project notifications for December. *Ms. Nelson* also displayed the consultation letters and attachments for these projects in the Historic Preservation Program's new "Historic Preservation Commission" SharePoint site, in a subfolder called "Federal Review – Section 106."

*Ms. Nelson* explained that staff would like Commissioners to use the "Federal Review – Section 106" section of the SharePoint site to review the Section 106 project information and provide their comments. She showed how to navigate the "Federal Review – Section 106" folder:

- Each Section 106 project has its own subfolder, named after the project.
- Projects with yellow folder icons are currently active for Commissioners to review.
- Inactive and past projects are in the grey-shaded "Inactive" folder.
- Each project folder includes all documents staff has received regarding the project. *Ms. Nelson* said that if documents and attachments are missing from the folder, it usually means that staff did not receive the documents or any hyperlinks to where staff could reach the documents. If documents or attachments seem missing, let staff know. *Maria Lewis* added that project agencies sometimes miss including attachments in their emails, and that the Municipality should just respond and request the documents.
- Each project folder also includes a document called "Historic Preservation Commission Feedback Questions.docx." Commissioners can submit comments or questions on a project by opening the "Historic Preservation Commission Feedback Questions.docx" Microsoft document in each project folder and entering in their individual comments and questions. Commissioners should type in their name and the data along with their comment or question. Staff will convey the comments to the appropriate project agency.

### Action Items:

- Commissioners to review the active projects in the SharePoint "Federal Review – Section 106" folder and enter in any comments and questions in the "Historic Preservation Commission Feedback Questions.docx" Word file for each project.
- Staff to convey Commissioners' comments and questions to the project agencies.
- Staff to schedule Section 106 consultation training for the MOA from the Alaska OHA.

*Commissioner Scher* moved to extend the meeting 20 minutes. *Commissioner Bryan* seconded.

***The motion was approved unanimously, and the meeting was extended to 7:20 p.m.***

**VI. PERSONS TO BE HEARD (3-minute limit) (none)**

**VII. COMMITTEE REPORTS (none)**

**VIII. STAFF REPORTS**

*Tom Davis* referenced the December staff reports memo on pages 23-25 of the meeting packet and reported a few highlights from that memo, including items # 2, 3, 4, 6, and 10. In particular:

- Item 2: The HPC meeting schedule for 2025 on page 25 of the meeting packet. Meetings are the third Thursday of each month except in June.
- Item 3: *Ms. Nelson* gave a tour of the new “Historic Preservation Commission” SharePoint site for Commissioners’ use. She explained that most of the information on the SharePoint site is in “Documents.” There are a variety of folders under “Documents” regarding HPC rules and regulations, HPC meetings (minutes and packets), HPC resolutions, historic preservation projects, Local Landmark Register nominations, HPC goals and priorities, and other information. The SharePoint site is for use by Commissioners and staff. Public information will remain available on the Historic Preservation Commission webpage.
- Item 6: The Bartlett Club showed great interest in the historic preservation presentation that staff gave to them in October. Several Bartlett Club members want to volunteer for the historic preservation program and its projects.

*Maria Lewis* reported the statewide *Historic Preservation Plan* update project team completed the public engagement stage several months ago and is preparing a public review draft of the plan that should be available within 60 days.

**IX. COMMISSIONERS’ COMMENTS (none)**

The Commission welcomed *Deirdre Bryan* as a new member. *Commissioner Bryan* introduced herself and her background as a UAA professor of history and current position at state DNR. *Commissioners Leman and Bryan* discussed the Ted Stevens archives project at the UAA library.

*Commissioner Scher* reported that the owners of the historic Louis Strutz house west of Delaney Park have approached Preserve Alaska to learn more about preservation options for that property.

**X. ADJOURNMENT**

*Commissioner Bryan* moved to adjourn the meeting. *Commissioner Karchut* seconded.

*The motion was approved unanimously, and the meeting was adjourned at 7:15 p.m.*

**Date:** January 16, 2025  
**To:** Historic Preservation Commission  
**From:** Tom Davis, AICP, Historic Preservation Officer  
**Subject:** New CLG Grant Application Opportunity

The OHA is accepting new grant applications from CLGs for 60-40 matching grant projects. CLGs may submit more than one application. The maximum federal share for each project is \$50,000. The application deadline is February 7. The projects need to be completed by September 30, 2026. The state's announcement letter and list of priorities are attached.

The following list of grant options incorporates the HPC discussion in December. Staff will re-submit the grant application for item 1 if ROSSIA is still interested in it and makes corrections to their previous grant application. Staff may pursue up to one other option from the list. Staff requests the Commission to discuss the options and determine which if any it would support.

1. ROSSIA Old Saint Nicholas Russian Orthodox Church Restoration – Resubmittal of ROSSIA's proposal for a pass-through grant that staff submitted to OHA in July, with clarifications and corrections requested by OHA. ROSSIA to provide the 40% match.
2. Local Historic Resources Inventory Database database cleanup – The AHRS and a local survey database compiled in 2012 need more data cleanup needed than staff anticipated when we scoped out this CLG Grant project. MOA staff hours to provide the 40% match.
3. Repairs or restoration work on a municipal historic building (e.g., Oscar Anderson) – Planning staff to meet with MOA Real Estate Department and Facilities Maintenance Departments on 1-14-2024 to determine if there is a project and the 40% match.
4. Public Involvement Services for Historic Preservation Plan (HPP) project – This would fund additional contractor services for public information and involvement in the project. MOA staff hours on the HPP project would provide the 40% match.
5. Anchorage Memorial Cemetery – The cemetery is in a state of neglect and needs attention.
6. Point Woronzof Village Site – Interpretive trail or sign improvements or management plan.

For context, following are the two ongoing/tentatively approved CLG Grant projects:

- Local Historic Resources Inventory Database/Map App (\$6,000) – In progress
- Government Hill Wireless Station HSR Phase 2 (\$– Grant agreement in approvals)

GOVERNOR MIKE DUNLEAVY

November 6, 2024

RE: FY24 Historic Preservation CLG Grant Applications Available

To Alaska CLGs:

The Office of History & Archaeology is accepting grant applications from Certified Local Governments (CLGs) for 60-40 matching grant projects from the National Park Service, Historic Preservation Fund (HPF).

All projects need to be completed by September 30, 2026.

The Historic Preservation Fund (HPF) grant program provides up to 60 percent assistance with a 40 percent CLG cost-sharing match in a historic preservation project in one of the following categories:

- Survey
- Inventory
- National Register Nomination
- Historic Preservation Planning
- Public Preservation Education
- Predevelopment
- Development

Priorities proposed by the Alaska Historical Commission during their June 2023 meeting remain valid. Refer to the Priorities when creating your CLG application package. The package, priorities, and other forms or examples are available online at <https://dnr.alaska.gov/parks/oha/designations/grants.htm>.

The Office of History & Archaeology anticipates \$100,000 will be available for award to eligible projects. The maximum federal share for Predevelopment grants is \$25,000. The maximum federal amount for all other categories of grants is \$50,000. Please note the new application package includes additional information which must be provided if you are applying for a Development project.

The application deadline is 3:00 p.m. on February 7, 2025.

For questions, please contact Maria Lewis at [maria.lewis@alaska.gov](mailto:maria.lewis@alaska.gov) or by telephone at 907-269-8717.

Sincerely,

A handwritten signature in blue ink that reads "Judith E. Bittner".

Judith E. Bittner  
State Historic Preservation Officer

Proposed FFY 2023 CLG priorities\* for grant funding:

1. Projects that increase public awareness of historic preservation and establish partnerships—particularly with local tribes and underrepresented groups—to strengthen their local historic preservation program. Projects that result in nominations for new properties to the National Register of Historic Places, including projects that recognize places associated with Alaska Native and underrepresented communities, will be prioritized.
2. Projects that address the rehabilitation of historic properties and leverage funds and resources. Restoring and preserving defining elements of historic properties and addressing their sustainability are encouraged.
3. Projects that update plans, review ordinances, create local register, draft local tax incentives, and determine design review guidelines. The use of a consultant to address local historic preservation issues is encouraged.
4. Projects that address the survey and evaluation of properties. Archaeological projects, projects in urban and rural areas, and cultural and historic sites are encouraged. Projects that record information on traditional Native places and place names as part of a survey projects are encouraged.
5. Projects that encourage historic preservation at the local level by supporting heritage and cultural tourism programs and other preservation efforts that use historic properties to stimulate economic incentives and community revitalization. Priority is given to projects that promote heritage tourism via surveys, inventories, preservation planning, development of historic contexts, national register nominations, education and interpretive materials, and predevelopment/development projects.
6. Historic preservation projects that address the 250<sup>th</sup> anniversary of the Declaration of Independence (2026) are a priority. The nation’s semiquincentennial is an opportunity for all Alaskans to commemorate and learn how the 49<sup>th</sup> state has shaped American history. Suggested are projects that emphasize the historic preservation of properties, including National Register nominations, while reflecting the America 250 commemoration theme, *The Power of Place*.

\*The priorities are numbered for administrative reasons. Grant applications need to clearly associate the proposed project with applicable priorities.

**Date:** March 21, 2024  
**To:** Historic Preservation Commission  
**From:** Tom Davis, AICP, Historic Preservation Officer  
**Subject:** HPC Priorities for 2024 as Approved on January 25, with a Proposed Addition

Following is the list of HPC priority activities for 2024 that the Commission approved on January 25. It also includes, in **yellow highlights**, an addition that Chair Bryce Klug proposed in December but was missing from the January draft version that the Commission reviewed and approved. Priorities are listed according to the categories in the State's *Annual Certified Local Government Report*. Certified Local Government (CLG) requirements are underlined.

#### A. LOCAL PRESERVATION ORDINANCES

1. Amend the LLO to clarify nominations criteria and approval process, per HPC Resolution 2023-01 regarding the ANHS nomination.

#### B. LOCAL HISTORIC PRESERVATION COMMISSION

1. Establish HPC rules of procedure, consulting with the HPC enabling ordinance.
2. Participate in training opportunities including NAPC Forum 2024 (7-31 to 8-4).

#### C. SURVEY AND INVENTORY OF HISTORIC PROPERTIES

1. Establish an MOA inventory of historic resources, compatible with the AHRs.

#### D. PRESERVATION PLANNING ACTIVITIES

1. Complete the local Historic Preservation Plan (HPP).

#### E. NATIONAL REGISTER PROGRAM PARTICIPATION

1. Prepare to review nominations to the National Register by establishing procedures and amending the MOA historic preservation ordinance if necessary.
2. Review any proposed nominations to the National Register.

#### F. PROTECTION OF HISTORIC PROPERTIES

1. Participate in Section 106 consultations as requested.
2. Get final approval of the nomination of ANHS to the Local Landmark Register.
3. Nominate municipal properties on the National Register and Alaska Native cultural resources on public lands to the Local Landmark Register.
4. Support the municipal Real Estate and Facilities Maintenance Departments' effort to repaint and reroof the Oscar Anderson House Museum.

(Continued on next page)

## **PUBLIC PRESERVATION EDUCATION PROJECTS**

1. Submit an annual report of HPC activities and accomplishments to the Assembly.
2. Give out local historic preservation awards for Historic Preservation Month.
3. Promote the Local Landmark Register as sites get added to the Register, and promote the sites on the Register, such as on an accessible social media platform.
4. Invite an expert from the National Alliance for Historic Preservation's *Commission Assistance and Mentoring Program (CAMP)* to provide training and advice to the Commission, as well as to community leaders and businesspeople. *(Note: Chair Bryce Klug proposed adding this as a priority during the December HPC meeting. It was missing from the draft list that the Commission reviewed and approved in January.)*

## **G. HISTORIC PRESERVATION GRANT ACTIVITIES**

1. Complete the Government Hill Wireless Station assessment report.
2. Propose a rehabilitation plan for the Wireless Station.
3. Propose to supplement the HPP project funding for specific tasks creating the HPP.
4. Propose to hire GIS contractors to carry out inventory activity C.1. above.

## **H. OTHER PRESERVATION ACTIVITIES**

### Memorandum

VIII.

---

**Date:** January 16, 2025  
**To:** Anchorage Historic Preservation Commission  
**From:** Tom Davis, AICP, Historic Preservation Officer  
**Subject:** Staff Reports for January 16 HPC Meeting

- 1. Commissioner Appointments and Open Seats:** The Administration intends to assist the Planning Department in seeking candidates for the three unfilled HPC seats:
  - Member with experience in building construction, such as a building contractor or structural engineer.
  - Member with experience in the real estate, such as a real estate developer, appraiser or broker.
  - Citizen-at-large member.
- 2. Documents Forthcoming to HPC Webpage and SharePoint Site.** Staff is working on posting HPC historical resolutions, meeting minutes, and meeting packets to the Historic Preservation Commission's public web page and its SharePoint site, starting with the most recent years.
- 3. CLG Grant Agreement for Government Hill Wireless Station HSR (Phase 2):** The Municipal Manager has signed the grant agreement, and the SOA has received it for the SHPO's signature to execute the grant. The Planning Department will then request Anchorage Assembly approval of the use of the CLG Grant funds and Fund 740 monies before starting the project.
- 4. 2018 Public Review Draft Historic Preservation Plan:** Staff is entering the tracked-changes staff comments and edits into the 2018 public review draft *Historic Preservation Plan*. Staff will submit to the Commission's HPP Committee members when finished. The information will support decisions regarding the scope of work to update and complete the draft HPP.
- 5. South Addition Neighborhood Plan's Neighborhood History Section (*No change from December*):** Staff is using content from the [South Addition Historic Context Statement](#) (2012) to complete the neighborhood history section of the final draft South Addition Neighborhood Plan.
- 6. Historic Preservation Fund (Fund 740) Status (*No change from December*):** This past fall the Assembly reappropriated Historic Preservation funds from the following three completed projects back to the Historic Preservation Capital Reserve Account so that is available for future appropriations, all within the Historic Preservation Fund:
  - \$44,027.66 from the "4<sup>th</sup> Avenue Theatre Project"
  - \$929.15 from the "Pioneer Schoolhouse Restoration Project"
  - \$350 from the "Girdwood Survey and Inventory Project"

There is approximately \$10,000 in additional funds on hand, which brings the total monies in Fund 740 to approximately \$55,000.

- 7. NACP Membership for Commissioners and Staff (*No change from December*):** The Municipality has an organization-level membership with the [National Alliance of Preservation Commissions](#) (NAPC). This membership is open to Commission members and HPO staff and includes:
- Access to [The Alliance Review](#), NAPC's quarterly publication.
  - Access to [free webinars](#), which are eligible for continuing education credits.
  - Helpful Messaging Guide ([napcommissions.org](#))
  - Preservation Planning Tools - Examples of Citywide Preservation Plans Preservation Plans ([napcommissions.org](#))
  - CAMP (Commission Assistance and Mentoring Program) - CAMP ([napcommissions.org](#))
  - Discounted rates to NAPC's biennial conference, [FORUM](#) for local preservation commissions and staff. Conference will next be held in 2025.
  - Access to NAPC-L, a discussion group that connects you to over 900 local preservation commission members, staff and others across the United States.
  - Ability to join NAPC's Listserv, NAPC-L: <https://groups.google.com/d/forum/napc-l>

If you have any membership questions, please email [director@napcommissions.org](mailto:director@napcommissions.org).
