DATE: February 9, 2021

TO: Building Board of Regulation Examiners and Appeals
Appellant – Nelson Franklin, Franklin & Associations

FROM: Gary Hile,
Acting Building Official

SUBJECT: BCA - 1 - 2021 Appeal of the Building Official's decision on an Application for
Modification – AK USA Elevator Install

After hearing the presentation of staff and the appellant, the board denied the appeal on the basis the appellant did not convince the panel that the proposed installation meets code or that there is a conflict between the IBC and ASME. The panel recommends the appellant work with the Municipality with regards to an Alternate Means and Methods request.
