Further discussion continued regarding writing a letter to the assembly informing them of the issues the amendment created.

Mr. Strait motioned to have the chair draft a letter to the assembly, discussing the newly created conflicts between municipal and state law and safety concerns resulting from unqualified individuals performing electrical and plumbing work requiring a certificate of fitness. Mr. Cowling second. Unanimously Approved.

BOARD OF BUILDING REGULATION EXAMINERS AND APPEALS**

MEETING MINUTES SUMMARY

5. REPORTS

Staff noted we are busier than last year, and plan review is turning work over quickly.

We received an appeal on a Notice to Vacate 50 homes in the Forest Park trailer park located in Chugiak. We are reviewing and will let you know if the appeal goes forward or will be denied.

6. BOARD MEMBER COMMENTS

It was asked what the Building Official status was. Staff replied Mr Trombley is still Acting Building Official, and the position was indefinitely open until filled.

The Chief of Inspections position was filled, and the person is expected July 5.

Will there be more inspectors coming soon, as inspections are backing up. Rumor has it that two of the plumbing/mechanical people are coming back and possibly an electrical inspector. Everything is still pending.

7. ADJOURNMENT: Meeting adjourned at 7:15 p.m. **Mr. McCann moved. Mr. Hamels seconded. Approved.**
