5. **REPORTS**

Staff reported AO2021-88(S) was approved by the Assembly. The assembly also made two amendments to the ordinance, and we are requesting clarification from the state on one of the amendments. The Chief of Inspections position is posted.

6. **BOARD MEMBER COMMENTS**

The board discussed the assembly's amendments to AO 2021-88(S). Staff will investigate the amendments and will send out the findings to the board. There was discussion on whether the MOA would be looking into the 2024 code cycle and where the state is with there code cycle. The state is looking to adopt the 2021 codes in the summer. We believe there will be push back from the administration so will hold off this code cycle.

BOARD OF BUILDING REGULATION EXAMINERS AND APPEALS**

MEETING MINUTES SUMMARY

The board asked how plan review turnaround times were going and inspections. Permit evaluations is up 30% right now over this time last year. There is a substantial amount of new work coming in. We're busy but it's not like a decade ago, but they are looking up. Most reviews are within a week and some structural is taken up to two weeks. We don't have the numbers, but we can send you the Weekly Valuation Summary and an excel graph showing the numbers from 2006 to current.

7. **ADJOURNMENT:** Meeting adjourned at 6:25 p.m. **Mr. McCann moved. Mr. Kunder seconded. Approved.**
