HOW TO APPLY AND CONDITIONS OF PERMIT

How to Apply

1. Complete the Sidewalk Encroachment Permit Application. List all the encroachments you wish to include under the permit. Please print information on application.
2. Attach a copy of your current Certificate of Liability Insurance to the application.
3. Complete the sketch showing location of encroachments and compliance to permit conditions. Show and label distances around and the dimensions of each appurtenance. Photos showing the encroachments and their placement are strongly encouraged; please attach them to your application.
4. Sign the application to verify you meet all conditions of the permit.
5. Deliver, Fax, or Email the application with attachments to the location shown at the top right of this page. If you have photos to attach, please do not send them over the Fax. Photos do not transmit very well via Fax.
6. DO NOT SUBMIT PAYMENT WITH APPLICATION.
7. Right of Way staff will notify the contact person when the permit is ready for pick up.
8. The \$100 permit fee is due when the permit is issued. Please note Permittee must be present to sign and make payment for the permit at the Right of Way office location. At this time, we are unable to offer alternative signature or payment methods, and apologize for the inconvenience this may cause. The Community Development Department Cashier accepts cash, check, and most major credit cards. They do not accept American Express.

Conditions of Permit

1. Permittee shall maintain a contiguous eight (8) foot wide pedestrian passageway on the sidewalk.
2. Signs shall not exceed six (6) square feet in area on any one of its faces provided however, that signs shall have not more than two faces.
3. Permittee shall locate encroachments directly in front of the permittee's storefront premises.
4. Embellishments to sign boards or other appurtenance such as garland, banners, flags, or balloons tethered by string may pose a safety hazard and are not permitted.
5. Permittee shall hold a current Certificate of Liability Insurance acceptable to Risk Management in the minimum amount of \$300,000.00 Compensation/General Liability.
6. Certificate of Liability Insurance must show the Certificate Holder as the Municipality Of Anchorage, Right of Way Section, 4700 Elmore Road, Anchorage, AK 99507. A copy of the current certificate must be on file with same.
7. Permittee shall place encroachments in such a manner that reasonably ensures the safe and unobstructed movement of pedestrians; the safe and unobstructed use of permitted on-street parking; and, that allows necessary sidewalk and building access for fire and emergency purposes.
8. Permittee shall display the Sidewalk Encroachment Permit in the window of the permittee's storefront. A reduced version is acceptable as long as it can be seen.
