

Municipality of Anchorage
Mayor Suzanne LaFrance

– Development Services –

October 17, 2024

To Whom It May Concern:

RE: Closing of Municipality of Anchorage (MOA) Public Rights-of-Way for Construction Work, 2024

With the imminent closing of asphalt plants and the onset of winter conditions, the **Municipal Rights-of-Way are closed to normal construction activities requiring excavation within the road prism, effective Tuesday, October 22, 2024 at 4:00 p.m.**

Any requests to construct will be considered under the following conditions.

No new construction on existing permits may begin and no new permits for new construction may be issued unless the Permittee/Applicant can demonstrate, with concurrence from the plants, that the project can be completed, and paved with asphalt or completed with poured, cured concrete, depending on the project.

Emergency work, installation of essential services, trenchless technology in the road prism and work outside of the road prism may be allowed under winter construction specifications. To obtain a right-of-way permit under winter conditions submit a permit application, written justification, and a drawing showing the location of the work to be accomplished. The permit must be approved and issued prior to construction.

Should you have any questions regarding this letter or other right of way questions please contact our office at 343-8240 or by e-mail at MOAROWRequests@muni.org.

Sincerely,

John W Snelson
Chief, Code Enforcement &
Right-of-Way Supervisor
