**Department of Health and Human Services**

**Introduction.** We have performed a sunset audit of the Municipal Health and Human Services Commission (Commission) as required by Assembly Ordinance Number 2011-64(S-1), Section 14 which states:

*"The Municipal Clerk shall notify the Assembly and the Mayor by assembly memorandum at least 120 days prior to the sunset of any board or commission, and an ordinance for reauthorization shall be introduced through the Assembly Chair with the assembly memorandum. The assembly memorandum shall include direction to the Office of Internal Audit to audit the board or commission under Anchorage Municipal Code section 3.20.110 D.3. and 4. The Office of Internal Audit shall report its findings to the Mayor and Assembly at least 60 days, prior to sunset, prior to vote by the Assembly on reauthorization."*

**Objective and Scope.** The objective of this audit was to provide information to the Mayor and Assembly to assist them in determining if the Commission should be reauthorized. Our audit included a review of meeting minutes, Commission resolutions and agendas and Commission member authorization and participation.

The audit was conducted in accordance with generally accepted government auditing standards, except for the requirement of an external quality control review, and accordingly, included tests of accounting records and such other auditing procedures as we considered necessary in the circumstances. The audit was performed during the period of July through August 2012.

**Overall Evaluation.** Based on our review of meeting minutes, resolutions, and attendance records, we recommend that the Municipal Health and Human Services Commission be reauthorized.
