ATTEST:

Municipal Clerk

Hi South Anchorage District Community Council Leadership and GBOS leadership (Chair/President, Vice Chair/Vice President, Secretary),

As you may know, the Assembly approved AR 2023-97, As Amended, a resolution adopting the “Clean Slate Strategy” on March 21, 2023.

A draft timeline for this work has been developed and can be found here, along with other helpful documents: <https://www.muni.org/Departments/Assembly/Pages/Clean-Slate-Approach.aspx>

The timeline proposes the following community-engagement approach to this work:

“The following representatives will be invited to be a part of this conversation with the Housing and Homelessness Committee:

- A representative from community councils in each Assembly district [NOTE: I made a slight edit from what is currently posted online to better mirror my intent with this language]
- A representative from the Anchorage Board of Realtors
- A representative from the Anchorage Coalition to End Homelessness
- A representative from the Anchorage Chamber of Commerce”

I ask leadership from all South Anchorage District Community Councils and GBOS to please coordinate and choose one representative to be a part of this work with the Housing and Homelessness Committee.

I leave the selection process for this representative up to you. The process should be collaborative and not seen as exclusionary. Each Assembly district will have one community council representative. Each community council representative should be a conduit for the opinions of the respective community councils within their Assembly district.

Please send me a name for a representative, email, and phone number no later than May 26. I realize this may be a short window to make this decision, but I want to give plenty of time to onboard these representatives.

If you have any questions, please let me know.

Thank you,
