

GVSA Housing Goals established 5.13.24

Vision:

Girdwood has good-quality, stable, affordable housing for residents across the community's income distribution while maintaining the characteristics of the outdoor recreation community.

Housing Goals:

1. Increase the supply of safe, affordable housing units for sale and for rent
2. Diversify the housing market: housing types, sizes, price points, locations, accessibility, and ownership models
3. Increase the share of resident-occupied housing throughout the year and reduce the number of vacant units
4. Reduce housing development cost burden
5. Streamline municipal process to achieve Girdwood Comprehensive Plan Goals
6. Increase Girdwood local control and management of public land

Whereas the Girdwood is looking to both better regulate the licensing and utilization of short-term rentals in the 99587 zip code, the Girdwood Housing and Economic puts forth the following framework for consideration:

- \$200 annual registration fee paid for each individual short-term rental;
- The tracking of the registration fee using an online third party vendor;
- A requirement for the owner post their short-term rental license in an area visible from the street;
- Penalties for infractions that violates Municipality of Anchorage laws
 - o \$100 penalty for a first time offense;
 - o \$500 penalty for a second time offense;
 - o \$1,000 penalty for a third time offense;
 - o Removal of license for a fourth time offense.
- \$10,000 penalty for those who run a short-term rental without the required license.

The above rules will be applied equally across the 99587 zip code with no one property subject to a different set of rules.
