

KFQD Park Improvements

Community Advisory Group
Meeting #3

April 27, 2023

SITE ANALYSIS

Site analysis, field survey, and soil tests to inventory park conditions and issues

PLANNING + PUBLIC INVOLVEMENT

Community visioning, build consensus on improvements

ENGINEERING + DESIGN

Engineering + design of preferred concept
Expected to evolve based on costs

CONSTRUCTION

Construction expected Summer 2023 and 2024

COMMUNITY PRIORITIES

Take care of what's already here

Maintain the natural, undeveloped character of the park

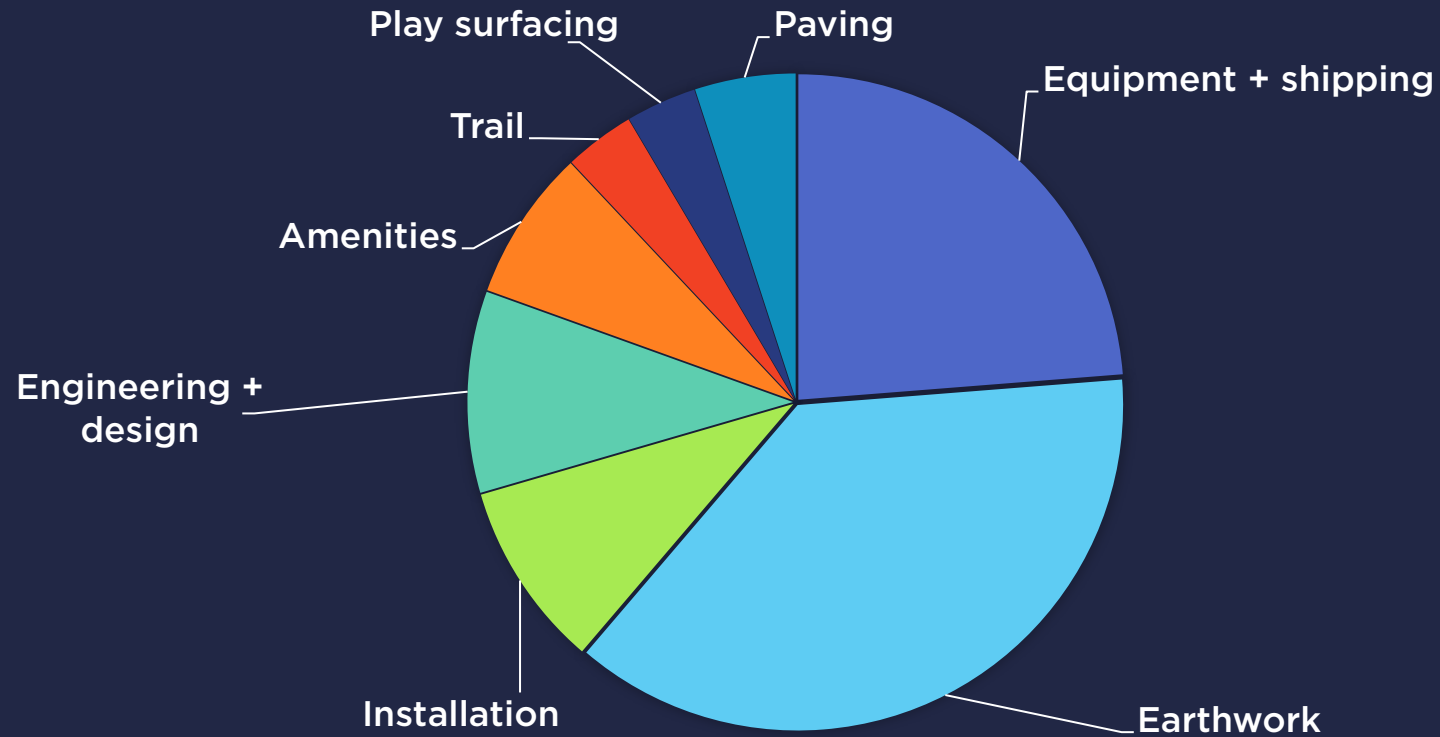

Improve drainage in the open field

Upgrade the play equipment and replace the surfacing

CHALLENGES

2021 Bond: \$400,000

SOLUTIONS

Improve Drainage

Define the existing swale
Add drain rock and pipe to
direct water

New Playground

Compact soil (surcharge)
Install new play equipment on
concrete slab
Wood fiber surface

New Trail

Add ¼ mile of gravel trail
Fun for bikes, walkers, joggers
Youth Employment in Parks
Relatively inexpensive
(estimated \$14,000)

Drainage improvement

Expanded play area

Soft surface trail

STEPHANDALE WAY

IRALTY BAY DR

01-Opt 4

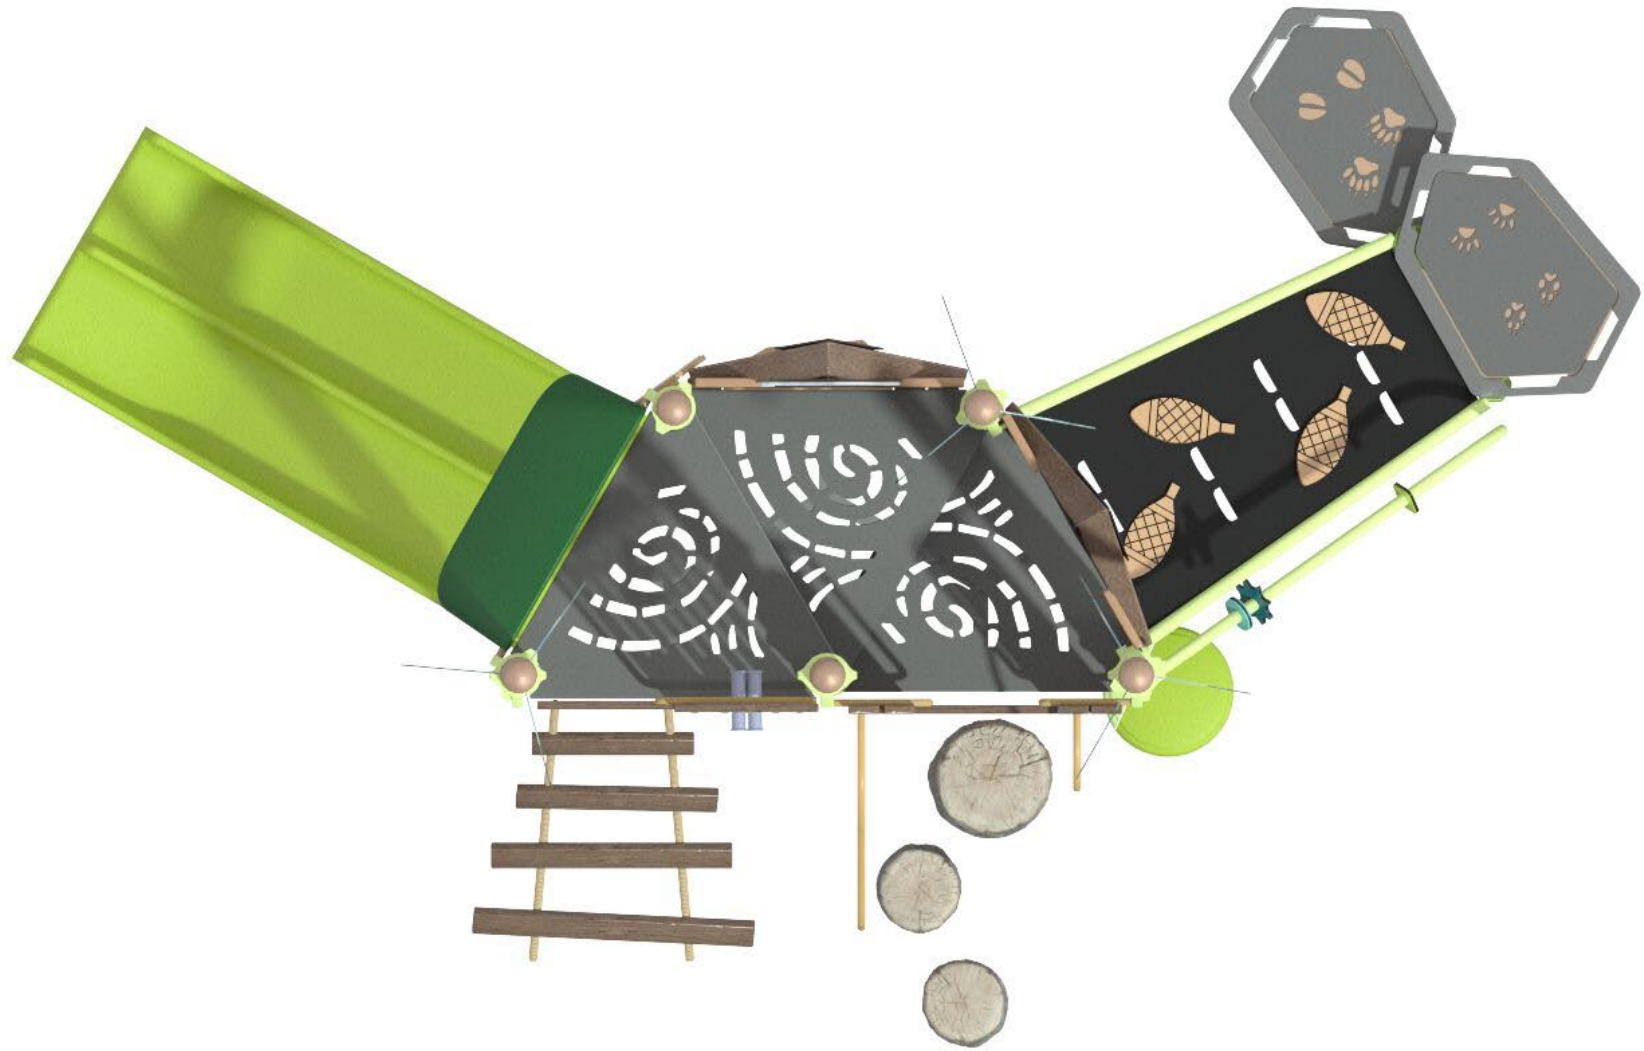

PLAYGROUND OPTIONS

1. CHALET

- Focused on younger kiddos
- Nature details
- Smallest footprint
- Could be paired with a swing or a climber

2: CHRYSALIS

- Butterfly theme
- Lots of climbers
- Inclusive swing with backrest
- Medium footprint

**KFQD Park Playground-Project 108141-01-Opt 4
