1:03	1:13	1:18	1:53	
5:03	5:13	5:18	5:53	

DART (Dial-A-Ride-Transit) is a weekday and Saturday service that operates in many of the Eagle River, Chugiak and Peters Creek neighborhoods. DART is designed to meet the transportation needs of the community, including those who may have difficulty getting to established bus stops.

## 2 WAYS TO USE DART

### 1. DART Scheduled Service

Passengers who can get to a regular DART bus stop with a green and blue sign should plan to be there five minutes before the scheduled arrival time. There is no reason to make a reservation. Due to pick-up and drop-off requests, the bus may arrive later than the scheduled times and may arrive at your stop from a different direction. Should this happen, simply wait for a safe time to cross the street and board the bus.

### 2. DART "By Request" Service

Passengers can also be picked up within the service area at locations other than regular stops. "By Request" DART bus stop signs are yellow and will only pick you up at that stop if you have called 277-DART to schedule a ride. For information call 277-DART.

## DART is FREE through December 31, 2004
