

People Mover seeks new logo

People Mover invites residents to help pick the transit system's new logo.

Finalists in the logo design contest will be displayed on the back cover of We Alaskans magazine in Sunday's Daily News.

People Mover asks that you check or circle the one you like best, clip the page and return it to the Downtown Transit Center or mail to People Mover Logo Contest, 3650-A E. Tudor Road, Anchorage, 99507.
