fares:

The fare is 25 cents for regular service routes and 10 cents on the DOWNTOWN LOOPER. Children under the age of five ride free when accompanied by an adult. Transfers are free and must be obtained at the time the fare is paid.

There are a few simple rules relating to the use of transfers. Transfers are issued to allow a passenger to make a complete one-way trip from one part of town to another; they are not intended to allow a passenger to make a return trip to the point of origin. Transfers have a 1- to 1½-hour time limit from the time of issuance which allows ample time to make connection between buses. Once a transfer has expired, an additional fare is required.

ready-fare:

Anchorage Public Transit drivers carry no change and do not have tokens or tickets for sale. Therefore, you are asked to pay exact fare. In an emergency, if you do not have the exact fare, drivers will accept all of our fare box receipts, so please wait 5 days before you redeem your coupon. You may mail your coupon with a self-addressed, stamped envelope for a refund by mail to Anchorage Public Transit Office, 3600 E. Tudor Road, Anchorage, 99507. You may redeem in person between 9:00 a.m. and 5:00 p.m., Monday through Friday, except holidays.
